

Dear Exhibitors and Visitors,

We at Konya Agriculture Fair wants to express our concern for everyone impacted by coronavirus. Like all of you, we have carefully monitored the global health crisis related to COVID-19 coronavirus. Our top priority is the health and safety of everyone involved in Konya Agriculture Fair; employees, customers and exhibitors.

The 18th edition of Konya Agriculture Fair, the leading agricultural mechanization fair in Turkey, which is scheduled to take place in Konya on March 17-21, 2020 has been rescheduled to take place on June 2-6, 2020.

Moving forward, we are continuing to liaise directly with all relevant Turkish authorities on a regular basis, whilst monitoring and complying with the World Health Organisation guidance, and rest assured we will keep you informed of any new developments as we receive them.

We will be delighted to welcome you in June 2-6, 2020 at Konya Agriculture Fair with the support of all our agricultural stakeholders.

We would like to thank you for your support during this challenging period.

Our thoughts are with all those affected in these difficult times.
